

GJ ARE PLEASED TO ANNOUNCE:

A 15M Active lead has been added to the current very popular Signature Series!

GJ Signature Active HDMI Cables

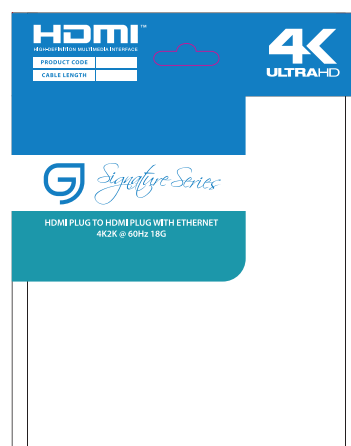

All of the Active leads have been updated with a new chipset and are now capable of 18 Gbps/4K @ 60Hz 4:4:4, Guaranteed 4K UHD Performance. Please note the Active leads are not bi-directional and the connectors are clearly marked with TV Monitor on the relevant plug.
