

March Newsletter ORDER PROCESS UPDATE

Ordering Process Update - March 26th 2020

As some of our customers are operating, albeit minimally, we are monitoring orders from home.

Should volume dictate, we can open up with minimal staff to manage social distancing. However, this may mean that there may be a small delay to orders i.e. we may not be able deliver them overnight.

We are trying our best to manage and assist customers where we can.

Please email orders to **admin@gjelectronics.co.uk**

The office phones will remain unmanned however, should you need to get in touch please call **Richard on 07785947962** or **Suzanne on 07709363232**
